I laughed until I cried. Which is saying a lot with the types of stories I have read in the past. Darrin Mason has succeeded in humorous ways in his writing. I would love

to see more of his work in a box set format. That is one purchase I will definitely make4 of 4 people found the following review helpful. Short and FunnyBy Richard McChesneyThis is the sort of book that you download to your kindle for reading when you are on the bus or train perhaps. It is nice and short - you will be able to read the complete book in less than 20 minutes - and quite entertaining. Just be careful not to laugh out loud if you are reading it on the bus.3 of 3 people found the following review helpful. Absolutely fabulous! Pet Shop Boy style.By WandaMy review is short and sweet. My first ever venture into a book of true satire. The parody and word play in this is exceptional. I loved it. It is worth more than one giggle at a time and I wonder if Sharon Stone or Queen Elizabeth II would read it and what they would think of this.A brilliant fast read -- one that will fall into all taste of readers everywhere.WaAr

HOW TO GET RID OF ELVIS ONCE AND FOR ALL ... This medieval masterpiece is a comedic retelling of the King Arthur legend that opens with the arrival at a local cemetery of Stephen King Author the First and his Knights of rock and roll and the subsequent resurrection of the King of Rock and Roll, Elvis Presley. Stephen King Author the First's quest is to retrieve the sword from inside Sharon Stone. Of course, Elvis is standing in his way. So are his farts.

"It borders on utter insanity and genius." - Dennis Waller, .com Top 500 reviewer."As funny as possible and no holding back" - Thomas Jerome Baker, .com Top 1000 reviewer."I may never eat strawberry sundaes again." - Susan Day, author and interviewer."This guy writes the best satire I have read in a long time." - Anne's Promotion Page, Facebook.
