Lavaille Lavette : Steve Harvey Presents the Adventures of Roopster Roux: That's Not Punny (Roupster Roux Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Steve Harvey Presents the Adventures of Roopster Roux: That's Not Punny (Roupster Roux Series):

Steve Harvey takes part in a battle of wits in this adventure involving the evil Punster, who is determined to steal Egyptian artifacts from a museum--and to create annoying puns about the objects. (Do you know why mummies are so stressed out? Because they can't unwind!) Steve and Roopster fall victim to the Punster's dumb jokes--and to him--

until they challenge the Punster to a war of words and win! Once the Egyptian treasures are returned to the museum, the Punster is sent to the "pun-itiary." But it's only a matter of time before Roopster Roux finds himself in another wacky adventure.

"Filled with puns that will make you chuckle as you read, this book is an enjoyable and unusual tale that is sure to delight and entertain." --Green Sheet Education Foundation
