Erin Huss : Still Can't Pay My Rent: Another Month of Excuses before purchasing it in order to gauge whether or not it would be worth my time, and all praised Still Can't Pay My Rent: Another Month of Excuses:

Why can't you pay the rent... again? The monthly question many apartment managers find themselves asking at least a handful of tenants. In this hilarious sequel, Cambria Clyne, the sassy heroine of For Rent, is presented with 31 more

real-life excuses for not paying the rent. Everything from "my off-shore investment account is frozen by the alien lizard people" to "I need it for Vegas this weekend" is offered as a so-called reasonable attempt to get out of forking over the cold hard cash they agreed to pay when they signed multiple pages of the lease. Now the question is: How will Cambria get them all to pay up once again? Author Interview What was your inspiration to write The Apartment Manager Series? All the apartment managers I've met agree on one thing—someone needs to write a book about this bizarre industry! So I thought, why not me? As a former on-site apartment manager and longtime blogger at The Apartment Manager's Blog, I have a lot of inspiration right at my fingertips. So much so, this had to be a series. It seems these books could fit into several genres. How would you categorize them? To me, a good book has a bit of mystery, a dose of romance, a twist, and a whole lot of humor. So I applied this formula to For Rent: humor, mystery and romance... I think it could easily fit into chick lit, romantic comedy, and even a cozy mystery. What sets Cambria apart, and how is her story different from other romantic comedies? Cambria is a feisty single mom determined to do right by her daughter. She's smart, witty, awkward, humble and possibly too nosy for her own good. Even when she's thrust into strange and dangerous situations, she manages to hold her own. She's not easily defeated, even when everything (and everyone) says she should be. Cambria isn't out to find love (this isn't really a romance story, though the handyman is pretty cute), but she wouldn't be opposed to it finding her. She's really out to start a new job and establish a career for herself in an industry that is deceptively difficult. She fumbles along the way, and this is what makes her relatable. In what order should I read the books? My books are like Diet Coke and French fries—good on their own, but oh-so-good together. I would recommend the following order: - For Rent - For Hire - Move-In Special (coming soon!) - Can't Pay My Rent: A Month of Excuses (free when you join my mailing list: <http://bit.ly/erinhussnews>) - Still Can't Pay My Rent: Another Month of Excuses Thanks for reading!

About the Author Erin Huss is the author of FOR RENT (a finalist in the 2017 RONE Awards) as well as three other books in The Apartment Manager series. She is a former apartment manager and current blogger at The Apartment Manager's Blog—a chronicle of the comical and often bizarre accounts of property managers. Erin lives in Southern California with her husband, five children, three dogs, and lots and lots of fish. Stay up-to-date on Erin's new releases and sales by signing up for her newsletter: bit.ly/erinhussnews. You can also keep up with her on the hilarious Apartment Manager's Facebook Page ([Facebook.com/TheApartmentManagersBlog](https://www.facebook.com/TheApartmentManagersBlog)), Twitter (@ErinHoganHuss) and Instagram (ErinHuss).
