Stones for Sanity is solid humorBy Sandra BakerAs one who reads for both knowledge and pleasure, I must reply to Hank's review: it is Hank who needs the rewrite. First, there is NO child abuse! in Ron Nagy's Stones for Sanity. Has Hank read the book, or rather is he referring to the picture of "The Nagster" as a child with a cigar from the cover? Also, when an author publishes several stories or events occurring in

the same setting, doing a short synopsis of the environs for each story will refresh the reader, /or give needed info, if the stories are read "out of order" from the Table of Contents. Now I need a cigar.1 of 1 people found the following review helpful. Stories are very interesting as well as the amazing mind visual of the jail.0 of 0 people found the following review helpful. finally good clean humorBy Ron NagyThese short stories are based on unconventional experiences as a prison guard and inmates. Others may fail to see the underlying humor of these circumstances but can humor justify the life lessons of both the jail guards and the inmates? Each story has a sense of sarcastic wit that allows the characters personalities too come alive and will bring a smile to your face. More than anything these stories capture amusing moments in prison life that are often overlooked.- See more at: <http://stones-for-sanity.ronnagy.net/#sthash.NThnpzNV.dpuf>

Prison humor from an old jail guard. The Author is a retired Prison Guard who resides in Western New York State. Everyone came to jail for various reasons. I was hired as a jail officer. I felt I could make a positive difference in the lives of especially the younger first time offenders. I began one of the biggest and longest lessons of my life. Humor is one positive outlet of inner tensions for both Inmates and Officers. This book is about the humorous side. I ended up working on the prison farm. The Farm was an outside the prison walls work program that would hopefully be enough of a lesson for the guys not to come back to jail. Fernando was mentally slow and very gullible. Tiny was a huge guy with a humorous side and a donut addiction. Gary was a talented Carpenter with a drinking problem. The Farm House Mouse proved how many guys were terrified of mice including me. Floyd was a salesman of illegal substances with no common sense. The Axe man was a tree murderer with a no nonsense mom. Everyone had a nickname and that also included the Officers. I made sure the farm inmates had enough donuts and that got me in trouble at times. Before Billy had come to jail he had had school and family problems and like so many others numbed his mind with alcohol; except he was not a happy drunk and had too many buttons to push.
