Terry Williams : Stop Start Continue: Thinking Creatively Provocatively About The Past, Present Future Of Workplaces before purchasing it in order to gage whether or not it would be worth my time, and all praised Stop Start Continue: Thinking Creatively Provocatively About The Past, Present Future Of Workplaces:

A collection of irreverent essays on workplace culture and leadership. From the author of 'The Brain-Based Boss' and 'The Guide: How to kiss, get a job other stuff you need to know.'

About the Author Terry's background is in corporate training and people management. Author of 'THE GUIDE: How to kiss, get a job and other stuff you need to know', that book has been acclaimed as a platform for people to reach the young people in their lives. And he wrote 'The Brain-Based Boss' all about employee engagement, motivation and how to attract recruit and retain talent. 'Live Work Love' was about how to add 10 quality years to your life. As seen on TV1's 'Good Morning' and TV3's 'Sunrise', Terry Williams combines comedy with valuable business acumen to be a skilled and knowledgeable trainer, speaker or facilitator. Terry is also a former national league basketball player and a current professional stand-up comedian with several shows in the New Zealand International Comedy Festivals.
