I love the way Father Joe connects the country songs to daily life.2 of 2 people found the following review helpful. From Fr. Joe's ProducerBy

AGD-TonyD.This is a great collection of Father Joe's transcripts. The song titles are listed where they appeared in the recorded programs. Although not the same as hearing the recorded program, Father Joe's words still are of great comfort for anyone. As his show producer since 1986 (and a fan from even earlier), I would highly recommend this and any of his books.

Book by Joseph Breighner

With a bottomless store of jokes, anecdotes, parables, spiritual citations, self-help adages and homespun homilies. Father Joe has become a populist priest, with a congregation that cuts across parish, generational and class boundaries. --The Baltimore Sun
