**Terry Moore : Strangers In Paradise Pocket Book 3 (Strangers in Paradise Pocket Book Collection)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Strangers In Paradise Pocket Book 3 (Strangers in Paradise Pocket Book Collection):

0 of 0 people found the following review helpful. Five StarsBy stevie nickole evansLoved it so much!0 of 0 people found the following review helpful. This one is really greatBy NWC (new with comics)So far i've read the first two and enjoyed them very much.This one has a lot of surprises, a lot of emotional scenes andit is really great. Highly

recommended. 0 of 1 people found the following review helpful. Four Stars  
By T.Chantel  
Book is in really good condition. Shipping was slow, but the price was unbeatable. Thanks!

SiP Pocket Book 3 continues the Strangers In Paradise story with a brief glimpse at middle age for Katchoo and Francine. And with Katchoo's past buried with Darcy, things should be looking up for our trio, but will David soon follow in Darcy's footsteps? Don't miss the dramatic results of years of pushing back at the Parker organization!

From Booklist  
The saga of Katchoo, Francine, and David continues, and their relationships with each other and with their circle of friends intertwine and become ever more complicated. The over-lying themes are regret, and loyalty and betrayal. Francine is a bored, unhappy housewife stuck in a bad marriage. Katchoo is a successful artist who lives life at a distance. David is nowhere to be seen. Flashbacks reveal the trials and tribulations that have slowly worn away friendship: Francine's inability to decide what she wants from life and from Katchoo, David's mysterious past that links him even closer to Katchoo, and the Mafia life that still won't let Katchoo go. The particular beauty of Moore's graphic storytelling shows in its seamless welding of the events of everyday life and extraordinary underworld/Mafia plot. His writing slips easily from traditional comics dialogue to prose to poetry without missing a beat. His characters live and breathe so vividly that it shows how much he loves them and induces the reader to love them, too. Moore's artwork is consistently gorgeous--darkly cute, conveying emotion with subtle grace and a human touch. Strangers in Paradise is one soap opera no one should miss. Tina Coleman
