9 of 9 people found the following review helpful. Great overall coloring book! By lkiser11 I love this book! I have the original. This book contains a lot of the pictures in the original, or some very similar ones. It also has card and bookmarks to color. It has enough variety that it should appeal to most colorists. 6 of 6 people found the following review helpful. Intricate and beautiful By David Broshious This book is everything I never knew I always wanted. The book is very high quality with designs that are intricate and beautiful. I am extremely happy with my purchase! 5 of 5 people found the following review helpful. Amazing quality! By J. O'Rourke Great paper quality! The designs are awesome. Love the bookmarks :)

“Our favorite coloring book company.” – The Skimm The runaway bestseller, as featured in TIME Magazine, the New York Times, USA Today and publications around the world! Features over 35 detailed patterns, lovingly reproduced with industry-leading quality. Heavyweight, artist-grade paper and perforated edges provide an unmatched coloring

experience and allows for experimentation with different media.

It may seem humorous, but this coloring books is not your typical children's coloring book. It is more detailed and you lose yourself as you color the details. I used to be on medications, but with this coloring book and breathing exercises I am able to handle my stress and no longer have strong panic attacks.
