Barry Baldwin : Studies In Lucian before purchasing it in order to gage whether or not it would be worth my time, and all praised Studies In Lucian:

A book about ancient Greek satirist Lucian in his cultural and historical context. "My conclusion is that we need hardly ever look outside the second century for the immediate and personal sources of Lucian's inspiration." – Barry Baldwin

About the Author Barry Baldwin (born in England in 1937) is a classicist, journalist and author of mystery fiction. He gained a doctorate at the University of Nottingham and worked in Australia and Canada. For two years he contributed a regular column to the British Communist newspaper The Morning Star.
