Every Bride Should Know (Stuff You Should Know)The book itself? It's fine, a cute little novelty book. However, all  
10 books (I had ordered several for gifts) arrived with dirty smudges all over the covers...all 10! (And they also arrived  
in 3 separate shipments, no idea why but that seems awfully wasteful.)I didn't have time to exchange or ask for a  
refund so I could get something else, so I tried using Lysol wipes to basically wash all the covers...fortunately the book  
covers have a pretty good coating so basically worked, but still....dirty books, ? Gross.
