Got this as an engagement gift for my brother. He was so grateful that there was a manual to explain this whole process for him.

Perfect for engagement parties or a groomsman's gift, this little black book has all the skills a guy needs to get from "yes!" to "I do." Fun, easy, and stress-free chapters on wedding planning for dudes include: · How to Budget for a Wedding · How to Choose the Best Best Man · How to Pick the Perfect Tux · How to Write Your Own Vows · How to Survive Your Bachelor Party

"The perfect engagement present for any couple getting ready to take the plunge."—Philadelphia Weekly
