**Brenna Ehrlich, Andrea Bartz : Stuff Hipsters Hate: A Field Guide to the Passionate Opinions of the Indifferent (Day Hike!)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Stuff Hipsters Hate: A Field Guide to the Passionate Opinions of the Indifferent (Day Hike!):

0 of 0 people found the following review helpful. Five StarsBy JaneSo true0 of 0 people found the following review helpful. Five StarsBy LaKya CablerThis book is great1 of 2 people found the following review helpful. Kind of genius.By AESamSo I rarely comment on anything (I'm very mysterious like that), but I couldn't resist throwing my opinion out on this one. Ready for it? This book is a must read for anyone aware of the world around them. Not only did Bartz and Ehrlich manage to capture the swirling mess of hipsterdom that is impossible to ignore (in Williamsburg, at least) and even harder to comprehend, the duo managed to make it relatable to even the squarest "trixies" (ahem. me). From dating habits, to general distaste for...well...anything, the girls nail it.And, if you're truly a hipster and don't want to shell out the \$10-something for the book - which is lame, by the way, you can go without PBR for a night - you can check out the duo's tumblr blog ([...]).

PRAISE FOR stuffhipstershate.tumblr.com"Depressingly astute."--The New Yorker"Wickedly funny."--The FriskyFrom the dive bars of Brooklyn's Williamsburg to the dirty alleys of San Francisco's Mission, the urban hipster has redefined American cool with a sighing disdain for everything mainstream. Hipsters are easily identified by their worn-out shoes, fixies and PBR tallboys, but until now no one had investigated beyond the hipster look to the even more hilarious hipster psyche. With personally researched articles, revealing illustrations and helpful charts and graphs, *Stuff Hipsters Hate* exposes the bottomless well of impassioned scorn that motivates the ever-apatetic hipster, including: MATING AND SOCIAL HATES?buying you a drink?monogamy?texting back in a timely fashionAPPAREL AND GROOMING HATES?high heels?muscles?being asked about their tattoosWORK AND LIFE HATES?full-time jobs?knowing their bank balance?enthusiasm

About the AuthorBrenna Ehrlich works as a news editor and blogger for Mashable.com. Andrea Bartz is an editor at Psychology Today and has written for SELF, Money magazine, SirensMag.com, Heeb and an array of alternative weeklies.
