**Leland Gregory : Stupid Conservatives: Weird and Wacky Tales from the Right Wing (Stupid History)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Stupid Conservatives: Weird and Wacky Tales from the Right Wing (Stupid History):

New York Times best-selling author of Stupid History and Stupid American History Leland Gregory chronicles the

humorous antics and ridiculous pronouncements of conservatives and right-wingers in politics and society, just in time for the election year media-storm. Leland Gregory's 17 previous humor collections with AMP are all in print and all are staples on the humor backlist, including *Stupid American History*, which was a New York Times best-seller, and *Stupid History*, which has shipped over 130,000 copies. Silly, shocking, weird, and hilariously funny, the one- or two-paragraph anecdotes that comprise Gregory's new anthology of stupid things said and done by American conservatives--politicians, citizens, journalists, professionals, workers, anyone who stands to the right of center--are culled from print, online, and broadcast media from all over the world. Here's a sample: \* "When I see a 9/11 victim family on television, or whatever, I'm just like, 'Oh shut up.' I'm so sick of them because they're always complaining." --Glenn Beck, September 9, 2005
