Leland Gregory : Stupid Liberals: Weird and Wacky Tales from the Left Wing (Stupid History) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Stupid Liberals: Weird and Wacky Tales from the Left Wing (Stupid History):

New York Times best-selling author of Stupid History and Stupid American History Leland Gregory chronicles the

humorous antics and ridiculous pronouncements of liberals and lefties in politics and society, just in time for the election year media-storm. Leland Gregory's 17 previous humor collections with AMP are all in print and all are staples on the humor backlist, including *Stupid American History*, which was a New York Times best-seller, and *Stupid History*, which has shipped over 130,000 copies. Silly, shocking, weird, and hilariously funny, the one- or two-paragraph anecdotes that comprise Gregory's new anthology of stupid things said and done by American liberals--politicians, citizens, journalists, professionals, workers, anyone who stands to the left of center--are culled from print, online, and broadcast media from all over the world. Here's a sample: * Residents of Longmont, Colorado, voted to abolish all "Dead End" signs and replace them with "No Outlet" signs. The local citizenry felt the "Dead End" signs were too unpleasant.
