I've loved her from the first 17 syllables. She's deft at staying true to the poetry, the part where something is revealed---not just cataloged---by the words, while making me giggle and nod. And, sometimes, get a little verklempt. You simply must pick this book up for yourself and those on

your Christmas list. They will thank you for it--if they can stop laughing long enough.0 of 0 people found the following review helpful. A laugh out loud treatBy Cheryl O.Peyton Price is brilliant! The way she encapsulates so much about Suburban life into her haiku is just amazing. This little holiday gem is sure to have you laughing out loud.Keep up the great work Peyton.1 of 1 people found the following review helpful. Holiday AwesomenessBy Mrs. MartinSuburban Haiku: Christmas Special is the gift that keeps on giving! You need to buy it for every ho, ho, ho frazzled mom you know, including yourself. I promise you - you'll be sitting in the parking lot of Target spilling your Starbucks limited edition holiday coffee because you'll be laughing so hard as you read her hilarious haikus. If Peyton Price was an elf she would be called "Little Snarky."

Suburban Haiku: Christmas Special is a collection of more than 100 hilarious holiday haiku. Frenzied shopping, endless wrapping, holiday card snubs, open house etiquette, competitive decorating, the Santa photo line--From Black Friday to Christmas Day, it's all here. This book is an ideal gift for Christmas lovers and Scrooges alike. When you hang the lights, turn up the festive music to drown out the swears. Now don't get tipsy at the neighbor's open house. You might spill too much. Thanks for the help, kids. Now all that's left for Mommy is redo the tree.

About the AuthorA denizen of the suburbs for more than ten years, Peyton Price is the author of the hilarious and touching Suburban Haiku series. Many readers have asked, "Are you my neighbor?" The answer is yes, yes she is. She's the one counting to seventeen on her fingers, grabbing her smartphone, and checking to make sure you can't read the screen.
