Irving Schwartz : Suburban Stew: A Blood Soaked Satire before purchasing it in order to gage whether or not it would be worth my time, and all praised Suburban Stew: A Blood Soaked Satire:

0 of 0 people found the following review helpful. Suburban Stew: A Recipe for Fun SuspenseBy Geoff LoftusIrving Schwartz's Suburban Stew begins like the suburbs themselves: it's well-manicured and well-mannered. It quickly becomes savagely satirical as this middle-class family's lives spin wildly out of control. I found myself laughing and grimacing at the same time. Hope to see another novel soon. Very soon.0 of 0 people found the following review

helpful. A darkly comic delight!By Eric SandysDarkly comic and very well written, this novel is a lot of fun to read. Schwartz skillfully mixes mixes black satire with good storytelling. Highly recommended.0 of 0 people found the following review helpful. The Real Modern FamilyBy louella kanewVery Funny and a little scary. It's Desperate Housewives meets American Beauty meets Breaking Bad. This guy can Write!!!

A gripping novel dripping with wit, mockery, and well-manicured lawns, *Suburban Stew: A Blood Soaked Satire* tells the story of an out of control family whose secrets and killing sprees are only the beginnings of their troubles. Throughout an idealistic white-picket-fence landscape, the Kramer family finds inventive and shadowy ways to deceive each other and everyone else. But as they engage in murder and body disposal they eventually come to realize their dependence on the very ones they worked so hard to keep in the dark. As the corpses pile up, the Kramers band together to tackle their surprising problems, and leave you smiling and shaking your head the entire time.

About the AuthorFormer filmmaker Irving Schwartz lives in a suburb of New York City where he is at work on a new novel.
