Willam Belli : Suck Less: Where There's a Willam, There's a Way before purchasing it in order to gage whether or not it would be worth my time, and all praised Suck Less: Where There's a Willam, There's a Way:

160 of 163 people found the following review helpful. she who is hermz.By Willam BelliI wrote this and it's good but my Dad says it's riddled with typos worse than a ticks on a deer's butt. I like the coloring pages.WILLAM4 of 4 people found the following review helpful. Funny, smart, and usefulBy JoanneAfter hearing this book being called a "self help" book I thought it was just a joke considering Willam is a comedian. But the tips in here are actually very useful not just for drag queens but for anybody. Willam's talent is multifaceted! He managed to not only make an interesting and funny book but a useful one as well. The construction alone is worth 5 stars. Books of this quality usually cost a lot more. The glossy pictures are beautiful and the book is sturdy, pages don't seem very likely to bend. I absolutely love this book. When I finish reading it I will leave it on my coffee table for all guests to see. :P12 of 13 people found the following review helpful. You will NOT regret giving this hooker your coin...By Lee MooreSo delightfully inappropriate. This is one of those books that you'll laugh your a** off while reading and not care about all the looks

you're getting. You'll switch from "OMG she did not" to "I hope no one below the age of 18 knows this even EXISTS" like nobody's business.

The only lie told more often than "No, that looks totally cute on you" and "I got AIDS through oral" is "It gets better." Well, a lotta times it don't. Sometimes it just sucks less. But I promise you: where there's a Willam, there's a way. But this isn't all about me (for once). It's about you and how you can SUCK LESS at a variety of things drag queens are so much better at than the average person. I've got clap backs and life hacks and tips on classing up a simple grab-and-run lifting spree to the much more dignified act of larceny. Super-important life stuff with my own special, secret fag-swag sauce. So welcome to Willam's School of Bitchcraft and Wiggotry. Class is in session. With a foreword from Neil Patrick Harris.

About the Author Willam is a model, actress, mattress. He has been an MTV host, a game show disqualiffee and is certified in CPR but doesn't wanna be braggadoucheicious about it. Suck Less is his first book and it's STD-free.
