We live in a small town now and rural newspaper delivery is unreliable. Carriers are lazy and inconsistent and newspaper does nothing about it, so I had to cancel subscription. I went searching for Zits and found this as one of several. I chose this one because I enjoy compilations. I began reading this one last night and it is hilarious. I had to stifle my laughter on more than one occasion. If you enjoy a good laugh, and are a fan of cartoons, especially Jeremy and his parents, I highly recommend this one without hesitation. This is a funny books. As it is from the sunday comics, all the cartoons are in color. All in all, this was a worthwhile purchase. 0 of 0 people found the following review helpful. Sundays Just Aren't The Same By Sashmom I think the neatest thing about this one was re-reading some of my faves without having to drag out the entire book just for a few strips. The added comments from some other comedic authors were nice to see as well. Sunday funnies were and always will be a wonderful part of childhood. I was disappointed to find that my very favorite strip was left out-the one where Jeremy's Dad decided to go out on the roof with him and ended up sliding off! A rather large friend of mine did something close to that down our satellite dish once. They were both funny but I have to admit that Jeremy's Dad was better-he didn't actually get hurt-still, I do laugh out loud every time I see that! 0 of 0 people found the following review helpful. Sunday Brunch: Purchased at .com By dep Any book with Jeremy is always a lot of laughs, this one follows suit. In my area, Zits hasn't been in the funnies for years, if ever, so this compilation is a real

treat. Unfortunately, due to my buying this in haste, I didn't notice the size of the book, 2 pounds is a real heavyweight. Normally that is not the size I buy, I stick to the scrapbooks size. Still, the book was a delight to read.

In their immensely popular comic strip Zits, Pulitzer Prize-winning artist Jim Borgman and writer Jerry Scott have succeeded in creating one of the most poignant, realistic and funny portrayals of teenagers found in any medium today. This book features the best Sunday strips. Belly up to the buffet . . . it's time for a Sunday Brunch. Inside this immense all-you-can-read hardcover, close to 300 of the best and most popular full-color Sunday strips are presented along with annotations, essays, and original sketches by Zits creators Jerry Scott and Jim Borgman. Parents themselves, Borgman and Scott have learned a thing or two about living with and parenting teenagers. Lauded by the Los Angeles Times "as one of the freshest and most imaginative strips," and designated as Best Newspaper Comic Strip twice by the National Cartoonists Society, Scott and Borgman's Zits offers shared experience on both sides of the generation gap. Inside Sunday Brunch, sixteen-year-old Jeremy, the son of parents Connie and Walt, grapples with the latest trends, confronts hot-button issues ranging from sex and impending career choices, and tackles lighter topics such as sleep schedules and appetite cravings. Next Sunday, sleep a little later and make your pancakes and mimosa even more enjoyable with Zits Sunday Brunch.
