Don Reid : Sunday Morning Memories [hardcover] before purchasing it in order to gage whether or not it would be worth my time, and all praised Sunday Morning Memories [hardcover]:

There were times that I laughed out loud at what Don Reid wrote because I could say, "yes, that's how it was with me." It can be a quick read or stretch it out by reading one or two chapters a day. I would recommend it.1 of 1 people found the following review helpful. Precious MemoriesBy Tena GreearDon Reid takes you back to a simpler time when the world seemed much smaller and less complicated.

Memories of Sunday's spent in church and the people that formed my childhood came rushing back. I now have sweet memories that I had long forgotten. 0 of 0 people found the following review helpful. Don Does It Again By Brenda D. Mitchell Enjoyed reading this book. Don Reid's way of writing makes for any enjoyable read.

Growing up in a small Protestant church in a typical small town may sound quite dull to some folks, but most churches of this sort have plenty of character - and characters! - to give them some excitement. If you've ever attended a church like this, you have probably encountered some people and situations just like the ones Don Reid describes in his humorous, sentimental, and very nostalgic book, *Sunday Morning Memories*. Don Reid, in his wonderfully witty and down-to-earth way: ò Runs the gamut of subjects from covered dish suppers to family pews to revivals to Vacation Bible School. ò Reminisces about stray radio signals coming through the PA system, using Sunday school money for purposes other than the collection plate, and skipping church on Sunday night to go to the movies. ò Reflects on candlelight services on Christmas Eve, Easter Sunrise services, weddings, and funerals. ò Reminds us to appreciate our church family, our different denominations, our church traditions, and our Lord.

Don's stories about church and the people who attend are humorous, insightful, and touching. They're great! -- Roger Howerton, Acquisitions, New Leaf Press and Master Books, February 13, 2004 About the Author Don Reid is an original member of the Statler Brothers, country music's premier singing group for nearly 40 years. He has written over 200 published and recorded songs and received numerous awards and accolades worldwide for his singing and songwriting, and even co-wrote seven seasons of the number-one variety series, "The Statler Brothers Show." He is an elder and Sunday school teacher in the Presbyterian church where he has been a member since childhood. Don's first book for New Leaf Press was *Heroes and Outlaws of the Bible*.
