Do you love Halloween? Artist Tabitha L Barnett certainly does, and now you can experience it with her in this new book, Super Cute HALLOWEEN! With sugar skulls, cute owls, haunted houses, adorable witches and everything in between, there's something to please every coloring and Halloween enthusiast inside! There are 31 adorably spooky

Halloween themed designs, some of which are repeated on black backgrounds, printed on only one side of the page. Some of the designs are very detailed, while others are super simple, making this book ideal for every colorist. Included in the back you will find a color chart and a few extra pages to cut out and use as blotter sheets, to test colors, or to make notes. Grab your favorite pens, pencils or markers, and color the stress away! Order your copies today!
