0 of 0 people found the following review helpful. Nice but not alot of pages to color.By Justin VanscoyNot bad coloring book. My daughter loved it. She thought the pics were cute. Downside was I paid almost \$9 and it only had like 12 pics to color. My daughter pretty much had this book color in an hour.0 of 0 people found the following review helpful. About the Author Betsy Bauer is an East coast transplant to the greater Los Angeles area. She has been drawing, painting, and telling stories longer than she has been walking. In 2010 she had the opportunity to intern at Sony Pictures Animation as a Story and Visual Development artist on *Cloudy with a Chance of Meatballs 2*, and in 2011 she graduated from the Ringling College of Art and Design with a BFA in computer animation. She spent a year and a half developing a feature film for Digital Domain Tradition Studios in Florida, and from there she headed West and to spend another year and a half creating whimsical illustrations, films, and games known as "Google Doodles." She is currently working as a Visual Development artist on an animated feature film at Paramount Pictures in Hollywood, CA. She uses her evenings to create children's book illustration.
