She had a ball reading and coloring in the book. She really identified with the authors message. I'm truly happy with the results. Super Power made my niece super happy.

When it comes to writing, Nevaeh has a passion to share her super powers with every reader and elementary student nationwide. Helping others, imagine possibilities and using her voice to inspire others are a few of her many powers. Her advice for young authors is to never give up because nothing is impossible! Now every young person can create

their very own affirmations and have fun doing it inside of this interactive coloring book.
