Peter Wise : Surf before purchasing it in order to gauge whether or not it would be worth my time, and all praised Surf:

2 of 2 people found the following review helpful. Absolutely Gorgeous! A Surfer's dream! By Kitty Colman I stumbled upon this gem of a book in a local bookshop. First of all, the design of the book is absolutely adorable and gorgeous! The book comes in a frosted case with a surf-board shape cut into it. Peter Wise's gorgeous paintings bring to life the art of surfing. Each painting is accompanied by an anecdote, poem, or reflection on surfing. Some of the contributors are famous surfers, and some are just surf aficionados. This book is a great gift for a friend or family member who loves surfing and the whole surf lifestyle.

The ocean has always been a source of inspiration for surfers, beach lovers, and sailors alike. In *Surf*, artist Peter Wise pairs sixty of his evocative paintings of the surf with anecdotes from surf-lovers around the world—from professional surfing legends to surfing journalists to businessmen who are surfers at heart. These original paintings are sure to inspire anyone who understands surfing to be a metaphor of personal expression.

This book is sure to inspire surfers, beach enthusiasts, and anyone who understands surfing to be a metaphor of personal expression. (Beach Magazine, July 2015)
