1 of 1 people found the following review helpful. Fun Ride!By JAGShort book but a fun read. Author has a nice flow of writing, a good wit and the ability to tell a good story. Brings life lessons learned forward and shares some good advice sometimes serious often with humor but points well made. Recommended.

Surplus: The Long Arm of Vietnam is a companion to Ed Gaydos's debut memoir, Seven in a Jeep: A Memoir of the Vietnam War. Surplus continues Ed Gaydos's story after he returned from the Vietnam War in 1971. These are the lessons that shaped his life as a person, a father and a successful executive.
