Mark Mattison : Surrounded by Indians before purchasing it in order to gage whether or not it would be worth my time, and all praised Surrounded by Indians:

This is the humorous and poignant account of an American who lived in India for nine months. Encounters with sacred cows, New Delhi traffic, and a holy rat temple convey a sense of wonder at this ancient country and an appreciation for the quirks of Indian society

About the AuthorMark Mattison is a teacher and photographer who has taught in Tanzania, India, and Norway.
