It's basically a average size coloring book with nothing to color. Like 90% of the "coloring pages" are basically very simple script words with hardly anything at all to color. And what you can color in is so freaking tiny you could barely fit a pencil tip to do so! The example pages are few and far between, wish I could attach pictures so people could see what a waste and sad attempt at a fantastic idea. It's laughable that they call this a coloring book. Literally big mostly blank pages with a thin script curse word...can barley even fit the sharpest of pencil tip in the space your supposed to color. Boring! Waste! It appears as the images were created and then

enlarged without thought to maintaining resolution and image quality. I would not have purchased if I knew this. Some images are better than others. 13 of 14 people found the following review helpful. Terrible quality. Don't buy. By Arianna I was so excited to find this coloring book that I ordered a copy for everyone at work as Christmas presents, but when I received them, the quality was so poor that I was almost too embarrassed to give them out. Many of the pictures cover less than half of the page they're printed on. They're more like little doodles than coloring pages. The pictures were very fuzzy. They looked like they had been xeroxed over and over and over. It was like trying to read without my glasses on. Blurry, dull, messy. The "artwork" itself is shoddy. Much of it looks like standard Microsoft Word word-art and clip-art. Some pages have lettering that is actually solid black and can not even be colored in. It is a COLORING book. You should be able to color the pictures inside of it! It was amusing, but still very disappointing. If I'm paying \$15 for a coloring book, I expect some degree of quality. The maker of this book had a great concept, but it was horribly executed.

Relax, color and get your frustrations all out with these new swear, cussy coloring pages for adults! 32 cathartic design (no mouth-soaping involved). GREAT fun gift for your favorite swear friend! When your Ex comes to mind, color it out! When your boss is on your case, grit your teeth and make a nice lovely picture! When you think you're losing your mind, color and relax, and hand them a beautiful message when you're done! These Adult Coloring Pages are cathartic and hilarious. They are not for the uptight or faint of heart! This bound book is the combination of the wildly popular Swear Adult Coloring Pages and Swear Adult Coloring Pages 2, with savings for the combined set!
