Pinto Underwood Frigerio : Sweet Memories: A Gingerbread Family Scrapbook before purchasing it in order to gage whether or not it would be worth my time, and all praised Sweet Memories: A Gingerbread Family Scrapbook:

0 of 0 people found the following review helpful. Sweet!By N. R. B.Sweet memories well done!3 of 3 people found the following review helpful. Cookies Have Lives Too!By KnotmanVery funny book with hysterical illustrations featuring real cookies in "everyday" situations. The story follows Fred and Ginger Bread as they date, marry, set up house, have children and fall prey to the foibles that strike us all. The little details are a riot (a scapbook includes "baby's first spatula", a hospital bill after a skiing accident has a charge for "crumb reconstruction") and the cookies look good enough to eat. A great holiday gift idea - I'm going to give several.Note: The story includes adult themes - this is NOT a children's book (but is all the funnier because of it!).2 of 2 people found the following review helpful. Laughter from the First Bite to the Last CrumbBy DoodadI find myself going back to Sweet Memories over and over again as the hilarious humor is very obvious and also very subtle. I just now saw the subtitle "A Gingerbread Family Scrapbook" with the S askew making it Crapbook. It's a great book for those who need their laughter box fed.The lives and adventures of Fred and Ginger Bread take us from marriage to the grave. The episode with the milkman and little daughter Cookie's schooling at the Our Lady of Immaculate Confection had me rolling in the aisles. It's a real keeper!

The hilarious illustrated memoir of a gingerbread couple struggling to survive in the modern world.Told in photographs and clever illustrations, Sweet Memories is the family history of Fred and Ginger Bread. They may be made out of dough, but they have hopes and dreams just like you and me. Being a gingerbread family isn't always sugar and frosting: You have the mortgage to worry about, and Grandma and Grandpa are getting on in years. And you can't possibly imagine what young Cookie is going through as she comes of age. You try going on the Atkins diet when you yourself are made entirely of carbs.Witty, original, and, yes, sweet, this one-of-a-kind book reminds us that

our gingerbread families are people too.
