Yet Another LL Triumph!!!!By wendyI have been a long-time lover of all things Lindsay Letters and HAD to buy this for part of my best friend's birthday box. I have several of her glorious canvases and framed prints covering my walls and this coloring book is such a fun addition to her stunning collections. I now have to stock up and stash in my gift closet for all of my favorite people. It truly is a beautiful book and as a long-time admirer and customer, I feel like it's a complete reflection of what a beautiful person she is! Enjoy!3 of 3 people found the following review helpful. Love Sweeter Than Honey!By Marcia A.I absolutely love this color book! So many of the adult color books are so busy and small it is hard to get a page finished without wanting to

give up! Lindsay's is perfect with simplicity and elegance. I love the introduction too, we can worship and color and make art. My granddaughter colored a page and with the perforated pages was able to take it home to frame! This color book will be a favorite gift to give my friends too! 0 of 0 people found the following review helpful. Must Buy By Leslie Horvath There is literally nothing like this out there! Lindsay pushed herself to create something beautiful and spirit filled to let us live creatively and participate in her beautiful work. I thought I was buying an uplifting coloring book for a friend that is in the hospital but instead realized I am giving her a mini devotional, creative invitation and beautiful reminder of God's love. I will be buying one for myself and this will now be my go-to gift for everyone! Seriously so good! Also, very quality paper and cover. Love everything about this!

“This book is a treasure, and I can’t wait to share it with the people I love.” — Shauna Niequist, author of *Present Over Perfect* Nourishment is a funny word to find on a coloring book. But as Lindsay Sherbondy prayerfully thought about what the Lord was leading her to say through these lettered love notes, it was this: You are worthy of nourishment. All too often, we take the time to nourish others—with our words, with our time, with our energy—while neglecting to receive it for ourselves. But as we read scripture, we see the Lord desires more for us. *Sweeter Than Honey* invites you to slow down, to take a moment for yourself, and to bask in the soul-nourishment that comes from being creative and letting God’s Word soak into your heart. This book includes never-before-seen prints from Lindsay Sherbondy, artist and owner of the online shop Lindsay Letters, as well as a few favorites, alongside devotionals and quotes that lead you to reflect upon reflect upon the sweet and beautiful nourishment God offers.” As a bonus, each perforated page becomes its own 8x10 art print! As you color and meditate on these words, let them feed your heart and mind, energize your life, and restore your soul.

“This book is a treasure, and I can’t wait to share it with the people I love.” (Shauna Niequist, author of *Present Over Perfect*)
