The first fiction effort from Andre Williams! Sweets is a narrative which takes you for a wild ride from Chicago to Houston, New Orleans, and New York City, as a teenager finds herself in a family way, without a family. Forced to fend for herself, she is taken under the wing of a local hustler who entices her into his business. The adventures that follow are a free-for-all foray through the fantastic world of pimps and their women, funeral directors, gangs and crime, with sidebar anecdotes that are guaranteed to appall, alarm and astonish. Williams' raw drawl storytelling style is evident with in this standout fiction debut.
