**Lynn Terry : Tails from the Booth** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Tails from the Booth:

Furry friends meet photo booths in this quirky photography book that captures all the cute canine action when the leashes come off and the dogs are the star of the show. If dogs could take selfies, it might look something like Tails from the Booth. For this adorable collection of photographs, Lynn Terry draws on more than twenty years of professional photography experience to capture the most endearing moments between canine companions: A couple of pitbulls grinning widely at the camera. Two saggy-faced bulldogs bumping jowls. A Pomeranian, an English bulldog, and a Boston terrier dog-piling (of course) on top of each other. These pictures show the countless ways dogs will ham it up in front of a camera, and that more dogs in a photo booth = even more fun! With all the charm of Underwater Dogs and Shake, Tails from the Booth will make you laugh out loud at all the awkward and endearing ways dogs

make friends with each other.
