Even though this book is a work of fiction, the characters come alive from this author's work, and you feel a part of the story. You can feel the excitement, joy and wonderment of these delightful dogs. I was sorry for this adventure to end and look forward to the next book from this author.Billie M.0 of 0 people found the following review helpful. Awsome Book.By innaThis sure is funny and amazing book. I loved it, it kept me laughing on every chapter of the book. Thanks to the author and

for a great book. Silly dogs!

Three dogs, Patrice, Ophelia, and Clementine share their adventures and snippets of helpful hints, like: Best Refrigerator Night Recipe, Steve's Outback Survival Strategies, Beauregard's Glossary of Words, and Patrice's Best Friend Cupcakes, to name but a few. Follow them as they go to the Land Beyond the Fence and dig a hole to China. They know more than they let on and they know how to have fun. This book is funny, entertaining, light reading appropriate for readers ten years old and up.

About the AuthorDebbie Brooks lives in Idaho with her dogs and likes to run, bike, write, and read. Jordan Brooks, the illustrator, is a cook, philosopher, drummer, and artist.
