you will love this. Very funny. We have been laughing so hard reading this out loud and should give me new material to make people laugh while they are in the hospital. 1 of 1 people found the following review helpful. The doctor/patient relationship offers endless opportunities for laughter and this collection of medical humor is sure to please. Scores of jokes and humorous stories, all relating to doctors, hospitals, medicines, diet, and exercise, are categorized into chapters accompanied by light, inspirational introductions. *Take Two Aspirin. . .and Call Me in Hawaii* is the second title in a planned quarterly release of joke books arriving in plenty of time for the upcoming election season and its stressful health care debate! This hilarious collection of medical mirth is ideal for anyone looking for clean, good-humored content they can trust.
