2 of 2 people found the following review helpful. Warm, hilarious, enjoyable, refreshingBy Carlos Enrique FoxFor

such a slim book, this one packs in a lot of laughs, insights, and coming of age stories that ring utterly true. Simpson has long been known as having a unique and powerful gift of using humor to make a serious spiritual point, and this book does not disappoint on that front...though, it should be noted, the author's purpose here is not primarily to get "deep" theologically, but to collect some of his favorite anecdotes, jokes, and personal life stories from nearly 50 years of ministry and travel. It's highly enjoyable and highly recommended!
