A Great Read for the Road...or Mountain.By Christopher RubinOne of the best collections of short stories ever written about the human experience...oh yeah, and bikes. There are stories here that will make you laugh, cry, fall in love with cycling and a bike shop owned by a guy named Bob.0 of 0 people found the following review helpful. Tales from LifeBy Hike/Bike/KayakGood yarns, not just about biking, but about life. Analogous to PBS This American Life, Tales from the Bike Shop is biking centric and just plain enjoyable. You don't even have to ride a bike to enjoy these stories.

These 52 humorous and thought-provoking tales capture the essence of bicycling in fact and fiction, parody and parable.
