Bob Davison : Tales of a Water Bailiff before purchasing it in order to gage whether or not it would be worth my time, and all praised Tales of a Water Bailiff:

Set in glorious Devon, Bob Davison's book contains a marvellous mix of odd characters, weird happenings and wildlife insights. For twenty years the author worked as a water bailiff, and this is the account of the remarkable events he witnessed. There is the story of encounters with poachers, of fish and fishing. Above all it is the author's love of the countryside and of the vagaries of human nature which shine through and make this such an enjoyable book.
