L K Peterson : Talk to the Hair: A Look Back at the First 100 Days of the Trump Presidency before purchasing it in order to gage whether or not it would be worth my time, and all praised Talk to the Hair: A Look Back at the First 100 Days of the Trump Presidency:

Talk to the Hair offers a satiric first-100-day-by-day account of President Donald Trump making good on his campaign promise to "Make America Totally Classy Again!" From Inaugural Ball-related injuries to finding that good

fences don't make for such good neighbors after all, the new president lets the chips fall where they may-ideally into one of his own casinos. And, when the going gets tough, The Donald turns to the diplomacy of Sarah Palin and the muscle of some guys named Vinny. However it turns out, it's gonna be YOOGE!"
