Alan C Martin : Tank Girl 3 (Remastered Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Tank Girl 3 (Remastered Edition):

I don't think two whole pages being cut out is acceptable considering its a comic and you need the dialogue to know whats happening. VERY disappointing. The comic Tank Girl itself is amazing but the fact that it arrived like this is not.

She's back to wreck her own unique brand of havoc! From the depths of the outback she charges, astride her fabulous

tank! Run for the Hills! It's... Tank Girl! This time round, Tank Girl reveals the true story behind popular beat combo - The Smiths, battles titanically with evil deranged bounty hunters, takes a globe-trotting, gastronomic odyssey and still finds time for a naughty interlude behind a bulldozer. Marking the 20th anniversary of Tank Girl with a new introduction from Alan Martin and featuring rarely seen material from Jamie Hewlett. All presented in chronological order, glorious technicolour and in fabulous black and white - the way nature intended! Warning: Adults only!

Praise for Tank Girl: "Tank Girl took a blowtorch to Batman and kicked seven shades out of Superman... Sexy, psychedelic and spleen-splittingly funny." Maxim "Tank Girl... Destined to be next spring's candidate for collegiate cult status." Entertainment Weekly "Lara Croft could not have existed without Tank Girl" Icon "Frankly Tank Girl was MIA for too long and it's good to see her back" Blogcritics Magazine "As much of a wisecracker as she is woman warrior" New York Times Praise for Alan C. Martin: "Alan Martin has rather miraculously stepped right back into his groove with the character" Bad Librarianship About the Author ALAN MARTIN is the co-creator of Tank Girl (along with artist Jamie Hewlett), and writer of the first three Tank Girl graphic novels.
