M.d. Krohn Don R. : Tap Dancing, Babies, and Cadavers: Humor and Pathos in the Life of 20th-century Doctor by Don R., M.d. Krohn (2009-04-13) before purchasing it in order to gage whether or not it would be worth my time, and all praised Tap Dancing, Babies, and Cadavers: Humor and Pathos in the Life of 20th-century Doctor by Don R., M.d. Krohn (2009-04-13):

2 of 2 people found the following review helpful. UniqueBy Rita BuhkI've never read a collection of stories like this one and it enjoyed it very much. It evokes another time period and has both funny and sad moments. Some of the stories are personal or memoir-like. While some stories are vivid, others are anecdotal, like quips or jokes from Reader's Digest. Not a long book. I read it in one sitting.
