The cat's out of the bag! ... and he goes very 'litter-airy' in the book, "Teddy's Tail"! Come and take a journey into the

whimsical mind of Teddy Coderre, a fabulous fat orange tabby cat. Teddy tries to resolve conflicts that are bound to arise when a cat lives among human beings. He deals with all the human idiosyncrasies with his comical wit and wisdom. Teddy enlightens us with his philosophies, his “Teddy-tudes”, while observing and sharing moments of his life from the feline purrspective. Teddy employs his many talents to state his opinions. He writes letters to his veterinarian and composes original lyrics to familiar mewsical songs, all in the hope of getting his point across in a lovable, amewsing way. “Teddy’s Tail”, written by Bette-Jean Coderre, and illustrated by Karen S. Marshall, is a wonderful mixture of fact, fiction, and fun!
