From Sara Bynoe : Teen Angst: A Celebration of Really Bad Poetry before purchasing it in order to gage whether or not it would be worth my time, and all praised Teen Angst: A Celebration of Really Bad Poetry:

0 of 0 people found the following review helpful. Angst and More AngstBy C.B.I read some of these poems to my students to show them what really bad poetry constitutes. These should make you laugh and cringe at the same time.

They are the Mystery Science Theater movies of poetry. Yes, they are that bad.. and good.0 of 0 people found the following review helpful. Pretty good bookBy MiaSome were funny but I actually found a lot of them pretty good. So I don't really think it lives up to the title, just teen angst would have been good. I have a book on my shelf on poetry some teenage girl wrote that was way worse than this and was trying to be serious. Still a fun thing to own, I really like the cover makes it feel like you are actually looking into an old notebook full of poetry you wrote in 7th grade.0 of 0 people found the following review helpful. Terribly FunnyBy LibraThe first and definitive work of its kind, this anthology contains poems written in the heat of intense adolescent emotional distress and introduced by the now angst-free adults who wrote the poems. Although these authors lack the literary pretentiousness enjoyed by true poetasters, their work is equally terrible. Arrangement is by such adolescent-appropriate topics as Breakups--I Will Never Love Again Poems and I Am Alone--and No One Understand My Pain Poems, etc.One of the best parts of this truly comical collection is editor Sara Bynoe's eight step plan for teens interested in writing angst poetry. Bynoe's anthology was inspired by content from her website.

Teen Angst: A Celebration of Really Bad Poetry is the first, the best, and the biggest collection of teen angst poetry ever to be published. Inspired by the popularity of her interactive website, editor Sara Bynoe has compiled the definitive teen angst reader. Divided into 12 categories, including I am Alone and No One Understands My Pain and Obvious Metaphors, this book is for anyone who has ever written truly terrible, meditative, or self-indulgent poetry. Actually, this book is for anyone who survived being a teenager. All of the poets featured in this collection are now adults, living happy, angst-free lives. However, for this special book, they are willing to reveal excerpts from their old tattered notebooks or leather bound journals. Along with the poems, each poet has included a short introduction, giving background information for each work. As Sara Bynoe says, looking back on teen angst poetry brings people together in a "poetry reading meets stand-up comedy meets AA" sort of way.

About the Author23-year-old Sara Bynoe lives in Vancouver, where she is an actress and a recovering teen angst poet.
