We've had it for several years now and it hasn't gotten old. Also, it uses less bandwidth than constantly looking them up on the internet.

The authors of I Can Has Cheezburger? return with an awww- inspiring threequel in their blockbuster LOLcat series. The Web site icanhascheezburger.com, the Internet's depot for LOLcat pictures, has already spawned two New York Times bestsellers: I Can Has Cheezburger? and How to Take Over teh Wurld. Now the mad geniuses behind the site have pored over their copious archive of cat photos with misspelled captions to bring fans a collection that raises the bar for cuteness. While the first book explained the LOLcat philosophy, the second helped readers live these tenets

themselves. With Teh Itteh Bitteh Book of Kittlehs, the focus is now on the cutest cat of all: tiny, heartwarming, adorable kittens. The result is page after page of uber- cuteness that will charm anyone who loves kitties (and those who just love to laugh at these frisky bundles of fur).
